Ermenegildo Zegna

One of the most famous fabric manufacturers in Italy, famous for its fine wool fabrics produced from the best raw materials.

Over the last hundred years, the Lanificio Ermenegildo Zegna has pioneered sophisticated men's fabrics to become lighter, softer, more refined and with improved performance and functionality. The mill has concentrated mainly on the production of high-quality wool, cashmere and mohair fabrics.

Famous for its classic and solemn design style and 100% Italian manufacturing, especially good at worsted 110 to 140 pieces of high-grade clothing fabrics.

LANIFICIO

FRATELLI TALLA DI DELFINO

Made in Italy - Since 1905

Genuine passion and conscious research.

From Mongolia right through to Australia, before arriving in Italy, Fratelli Talla di Delfino seeks out the best raw materials to guarantee superior quality fabrics through an exclusive manufacturing process made of genuine passion and conscious research.
